

at age 37, and then president of Rice University and president of Columbia University. He is a man of many talents and interests.

For all these and many more reasons, I stand now to applaud his leadership at Columbia University, his dedication to this great institution, and to wish him great luck in the future. Columbia today embodies substantial forward momentum and is poised to achieve further advances in the years ahead.●

TRIBUTE TO RICHARD M. SCULLION

● Mr. FEINGOLD. Mr. President, today, I would like to honor the life of a dedicated public servant, Richard M. Scullion. Dick passed away at the end of April following a brief illness.

Dick started out as a farmer near Highland, WI. He married his wife, Marian, in 1945, and worked to raise their family. In the 1950s, during a typical Wisconsin blizzard, friends of Dick's nominated him to serve on the Iowa County Board and in 1965, he became the chair of the board, a seat he would hold until 2000. At that time, he was the longest serving County Chair in Wisconsin history. Dick simultaneously served as the Highland township chairman and as a member of the Memorial Hospital of Iowa County Board.

In addition to his over 40 years of service to Iowa County, Dick demonstrated a strong commitment to his home state. He was a member of the Wisconsin State Soil and Water Conservation Board, Committee Land Preservation Board, Water Resources Committee, Wisconsin River Rail Transit Commission, Farmland Preservation Board, and was the chairman of the Southwest Regional Planning Commission.

His work made him an invaluable citizen of the State of Wisconsin; he was recognized for his achievements in 1995, when the Iowa County Courthouse addition was named in his honor. Dick was also named the Soil Conservationist of the Year in 1976 and received the Wisconsin Master Agriculturist Award in 1979. In 1983, the University of Wisconsin College of Agriculture and Life Sciences awarded him an honorary degree.

Dick Scullion was an important part of Iowa County, and the State of Wisconsin, and will hold a special place in our State's history. He will be dearly missed.●

RETIREMENT OF ALDRED AMES

● Mr. CRAPO. Mr. President, I rise today to commend one of the key figures in Idaho's economic development efforts, Aldred Ames. For over two decades Mr. Ames has made a positive impact in virtually every one of Idaho's 201 incorporated communities, 44 counties, and 5 tribal nations. He has brought not only technical expertise and access to financial resources, but

perhaps even more important a positive attitude that kept his constituents in economic distress from giving up hope.

Government employees are often accused of being process oriented rather than results oriented. Mr. Ames, with his single-minded focus on results, is an excellent example of the kind of Federal employee of whom we should all be proud.

As he is about to retire, I congratulate Mr. Ames on his outstanding record of accomplishment and wish him every success in his future endeavors.●

TRIBUTE TO THE UNIVERSITY OF HAWAII MEN'S VOLLEYBALL TEAM

● Mr. INOUE. Mr. President, I am proud to rise and pay tribute to the University of Hawaii men's volleyball team for winning the 2002 National Collegiate Athletic Association, NCAA, Championship this past weekend in Pennsylvania. The Warrior Volleyball squad made history by winning the first National Championship for any men's athletic program at the University of Hawaii.

I salute all of the athletes and coaches of the NCAA Championship tournament. I commend them for their sacrifice and determination; they should all be proud of their achievements as student-athletes.

I also commend the people of Hawaii for their support of the University's athletic programs. Indeed, they are the greatest volleyball fans in the nation.

The success of the men's volleyball team is indicative of the depth of the community's support, and the caliber of students, faculty, and staff at the University. As our nation's only public institution of higher learning in the Pacific, the University of Hawaii has many unique strengths and comparative advantages. It offers premiere science, math, business, art, social science, and, as it has now demonstrated irrefutably, athletic programs. The people of Hawaii should be proud of their University.

I applaud Head Coach Mike Wilton who, for the past decade, has worked tirelessly to successfully build and strengthen the men's volleyball program, and I commend the members of his coaching staff for their commitment to preparing the athletes for success both on and off the court.

Finally, I extend my sincerest congratulations to the Warrior Volleyball players for capturing the national title. I am pleased to note that the team is comprised of young men from Hawaii, Arizona, California, Oregon, Guam, Canada, Cuba, Israel, Puerto Rico, and Serbia. Despite their cultural differences and language barriers, they remained unified in their mission and goal. The team has proven that all things are possible through hard work.

I submit the team's roster of players and coaches for the RECORD:

Players: Dejan Miladinovic, Geronimo Chala, Robert Drew, Kimo Tuyay, Jake

Muise, Eyal Zimet, Vernon Podlewski, Jeffrey Gleason, Costas Theocharidis, Jose Delgado, Kyle Denitz, Marvin Yamada, John Bender, Ryan Woodward, Tony Ching, Brian Nordberg, Delano Thomas, and Daniel Rasay. Coaches: Mike Wilton, Tino Reyes, Aaron Wilton, and Marlo Torres.●

IN RECOGNITION THE RETIREMENT OF INSPECTOR FREDERICH A. GREENSLATE

● Mr. LEVIN. Mr. President, I ask that the Senate join me today in acknowledging the retirement of Inspector Frederick A. Greenslate of West Bloomfield, MI, who retired on April 27th of this year after serving in the Michigan State Police for 41 years. Mr. Greenslate is one of the longest serving officers in departmental history and people will be gathering on May 17th to celebrate his distinguished career.

I cannot overstate the debt we owe our men and women in uniform for putting their lives on the line as guardians of peace. Every day they protect the people of our great Nation and keep our cities safe. Frederick Greenslate has been part of this great tradition of service, dedication and honor.

Mr. Greenslate joined the Michigan State Police in 1961 after receiving an Associate's Degree in Criminal Justice from Macomb Community College. Originally posted as a Trooper at the Newaygo Post, he moved up the ranks and concluded his career as an Assistant District Commander in the 2nd District Headquarters. Over this period, he received four Meritorious Citations for service above the call of duty as well as an Unit Citation. He also assisted with several events of national and international significance including the visit of Pope John Paul II to Detroit, Super Bowl XVI, United States Cup Soccer, World Cup Soccer, The Detroit Grand Prix, and the National Governors' Conference.

Despite the long hours and stressful atmosphere associated with being a police officer, Mr. Greenslate has been devoted husband to his wife Susan and father of six children: Adam, Bethany, Douglas, Jason, Jeffrey, and Melanie. In addition, his children have blessed him with three grandchildren, Jack, Joe, and Connor. He is also a member of the South-East, Oakland County, Macomb County, Wayne County, and St. Clair County Police Chief's Associations.

Our Nation's public servants play a vital role in preserving the public good. However, few public servants do more to ensure our Nation's peace and stability than our police officers. I know my Senate Colleagues will join me in thanking Mr. Greenslate for his distinguished career as a Michigan State Trooper and wish him well in the years ahead.●

HONORING THE GIRL SCOUTS OF RHODE ISLAND

● Mr. REED. Mr. President, I rise in recognition of the 90th Anniversary of

the Girl Scouts of America. The Girl Scout tradition began on March 12, 1912, when founder Juliette Gordon Low assembled 18 girls in Savannah, GA for the first-ever Girl Scout meeting. Today, the organization offers girls of all races, ages, ethnicities, socioeconomic backgrounds, and abilities the chance to thrive by building the real-life skills they will need as adults.

I am especially honored to acknowledge the activities of the Girl Scouts of Rhode Island, which currently serves over 13,700 girls in my home State and several bordering towns of Massachusetts and Connecticut. The Girl Scouts of Rhode Island has created several enriching programs and activities over the years that truly help girls grow strong. One such program is Girls on the Go, which serves low-income girls at free lunch sites throughout the State during the summer months, allowing them to participate in Girl Scout activities. Other examples include the City Summer Camps program in both Providence and Central Falls which provides 6 weeks of training and recreational activities, and the Girls at the Center program which has provided numerous scouts and adults with opportunities to explore science and technology.

I am truly proud of the achievements of the Rhode Island Girl Scouts and their mission to help young women achieve high ideals of character, conduct, patriotism and service. I wish them continued success in the future.●
